

Thank You & Farewell!

THANK YOU

For 40 years, Seatrek has had the privilege of showing passengers around our beautiful coastline. It comes time to say our farewell to Seatrek Hebrides following this final 2024 season. We want to say a huge thank you to every passenger who has joined us for a boat trip - from visitors, to school groups, to cyclists and more. Over the years we have welcomed thousands of people from around the world and we have enjoyed each and every trip.

FOR SALE

However, this may not be the end - we are looking for a new owner for Seatrek Hebrides in the hope that they can continue to provide visitors to the Hebrides, with the experience of a lifetime. If you would like any more information on the business, please get in touch with Murray at murray@seatrek.co.uk, or Sara Manville at sara.manville@knightsbridgopic.com

"Thank you to every passenger for booking a trip and making this the best job in the world for the past 40 years."
